CATERING MENU

Grounded Gatherings is an offshoot of our cafe Ground+Co, an initiative of The Underground Collaborative which exists to provide housing solutions and employment to educate and empower women who have experienced family and domestic violence and at-risk young people in WA.

Ground+Co not only employs people from disadvantaged backgrounds, but 100% of our profits are reinvested back into our Employment Program to provide training, case management, mentoring and employment.

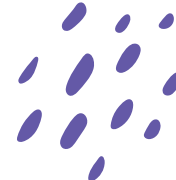

Thank you for changing your world through choosing Grounded Gatherings, to change the lives of others. Your support is helping to break the cycle of homelessness.
