# CATERING MENU

Ground+Co cafe is an initiative of The Underground Collaborative, which exists to provide housing solutions and employment to educate and empower women who have experienced family and domestic violence and at-risk young people in WA.

Ground+Co not only employs people from disadvantaged backgrounds, but 100% of our profits are reinvested back into our Employment Program to provide training, case management, mentoring and employment.

Grounded Gatherings the catering arm of Ground+Co - through your support, you're helping to change the lives of others and breaking the cycle of homelessness.
