LUNCHBOXES

Grounded Gatherings makes catering easy with a range of morning tea, lunch and afternoon tea boxes featuring both sweet and savoury selections.

Our lunchboxes are designed to simplify ordering. Choose a lunchbox style, let us know your dietary requirements and we'll arrange the rest for you.

Grounded Gatherings is the catering arm of Ground+Co Café, an initiative of The Underground Collaborative, which provides employment pathways for women who have experienced family and domestic violence and for at-risk young people in Western Australia.

Ground+Co not only employs people from disadvantaged backgrounds, but 100% of our profits are reinvested back into our Employment Program to provide training, case management, mentoring and employment.
